Mr. Ron Waller  
U.S. Army Corps of Engineers  
Louisville District  
P.O. Box 59  
Attn: ORLOR-R/Ron Waller  
Louisville, KY 40201

Dear Mr. Waller:

I am pleased to report that no male gypsy moths were caught this past trapping season at Caesar Creek Lake, Clarence J. Brown Dam, West Fork Lake, and William Harsha Lake. Gypsy moths will not have an impact on the forest resources at these Corps sites in the immediate future. We would like to see the trapping program continued at the same intensity at all sites in 1997.

Thank you for your continued cooperation and if you have any questions regarding these results, please call me at (304) 285-1556.

Sincerely,

*Karen D. Felton*
